SCORE

MULTI FREQUENCY FOR ALL!

Discover the groundbreaking SCORE by NOKTA, a true game-changer in treasure detection with its simultaneous multi frequency (SMF) technology. This robust, waterproof device combines essential features in a sleek, ergonomic build.

Experience the power of multi frequency precision seamlessly integrated into a user-friendly design. With the SCORE, complexity takes a backseat—no intricate menus or settings to navigate. Simply power it on, and your treasure hunt begins, effortlessly.

EFFORTLESS MASTERY

Say goodbye to presets and complicated settings. The SCORE streamlines your detecting experience while maintaining top-notch detection capabilities.

SEAMLESS BEACH ADVENTURE

Unleash your detecting skills without the hassle. The SCORE simplifies your hunt, ensuring you capture every treasure beneath the wet sands or in salt water without compromising on precision.

UNBEATABLE VALUE

Elevate your treasure hunting without breaking the bank. The SCORE's simultaneous multi frequency capability redefines your detecting experience, delivering unparalleled value without sacrificing top-tier detection.

SAVE BIGGER, SCORE HIGHER!

The Score is your passport to simultaneous multi frequency precision for turn on and go detecting.

With a price that defies industry standards, the SCORE offers the same simultaneous multi frequency capabilities as high-end devices at a fraction of the cost.

Auto Noise Cancellation
Get rid of EMI easily.

60 Target IDs & Harmonic Tones
Accurate Target IDs and harmonic tones allow you to identify targets easily.

Easy Operation
Saves valuable detecting time and makes the device suitable for the novice, as well as, experienced detectorists.

Vibration
The SCORE will vibrate upon detection of a target! Ideal for the hearing impaired users, as well as, for detection underwater or low light visibility.
